

**Announcing Morgan Penney, Student Lively District Secondary School
...New Graphic Design Volunteer for AFM Heritage Society!**

The Anderson Farm Museum Heritage Society [AFMHS] is pleased to announce that Morgan Penny, Student of Lively District Secondary School [LDSS] has volunteered to be our new Graphic Designer-now that Alek Luopa [graduate LDSS] is attending Laurier University. She will be working closely with Gwen Doyle, CIO AFMHS-creating/revising all of the PR Materials for our annual 'Rock The Farm' Concert/Farmers' Market summer series, Fall Fair and Christmas Tree-Lighting Celebration at the Anderson Farm Museum. [AFM]

"...Everyone was excited when Morgan [Penney] volunteered to be our new LDSS Student Graphic Designer...We had just formally said goodbye & thanks to Alek Luopa, [graduate LDSS], for creating his amazing graphic designs for all of our PR Materials 2011-2013 -as he started his new adventure at Laurier University and suddenly we were welcoming Morgan- another dedicated & extremely talented LDSS Student [friend of Alek] -to help us promote our three FREE annual events at the AFM...We look forward to working with Morgan " Gwen Doyle, CIO AFMHS

Morgan is currently in grade 12 at LDSS and has been living in Lively for the past two years. She was one of the Anderson Farm Museum Curator's Volunteers for the past two summers - helping at the Fall Fair [hosted by AFMHS], Annual Creighton Reunion, and 2012 Haunted House [hosted by Greater Sudbury Public Library].

This summer Morgan was employed at the AFM through the YMCA Summer Jobs for Youth Employment Program- working on various tasks at Anderson Farm Museum.

"...During this time [July, August] I took photos of some of the 'Rock the Farm' events [hosted by AFMHS]... I am looking forward to this experience as I have always been interested in art and media. This is evident in my hobbies which are photography, video production and portrait illustration"

...Working with the Anderson Farm Museum Heritage Society will allow me to work in a field I'm passionate about, improve my skill in graphic design, as well as become part of these exciting events that unite the community"
