

## **AFM Heritage Says Goodbye to Two Board Members And Welcomes One New Member!**

The Anderson Farm Museum Heritage Society [AFMHS] board begins 2014, by saying goodbye to Les Burford & Andrea Martin and welcoming Leslee Salo as a new board member.

**Les Burford worked tirelessly for AFMHS & AFM from [2006-2013].** He was one of original members of Walden-CAN Heritage Committee & Heritage Task Force [2006] and AFM Site Committee- when AFM Heritage Society was officially formed [Nov. 2007] *"...To develop action plans [short & long-term] to ensure that the Anderson Farm Museum was preserved & protected; expanded & developed – as a vital heritage site for future generations"*. He was Chairman, Secretary & Treasurer; worked on our 'Rock The Farm', Fall Fair, Farmers' Market & Christmas Tree-Lighting Committees; helped recruit Business Sponsors & prepare Grants and was always there to help with any outdoor projects.

*"...A lot of what the Anderson Farm Museum is today is due to Les' long-range planning & ideas...His efforts will be sorely missed by our Board & Committees"*

**Brian King, President, AFMHS**

**Andrea Martin joined our Board in 2011** after volunteering for our Fall Fair. She was Secretary; worked on our Farmers' Market, Rock The Farm, Fall Fair & Christmas Tree-Lighting Committees- taking photos at events & posting events on FREE websites. With work & a young family, Andrea can no longer commit the time as a member of the AFMHS board & committees.

*"...Andrea helped us develop the model for our 'Rock The Farm' & Fall Fair Farmer's Markets & set-up Fall Fair Contact Lists- which we revise each year...we hope that she comes back to work with us in the future."*

**Betty Budgell, Treasurer, AFMHS & Co-Chair Fall Fair**

**The AFMHS is excited to welcome Leslee Salo to our Board.** Leslee is quite familiar with the AFM- working with Pat Marcotte, NOAFEM re: Maple The Cow Schools' Program & as 'Rock The Farm' Farmer' Market Vendors. She also worked on our 2013 'Rock The Farm, Fall Fair & Christmas Tree-Lighting Committees.

*"...As a Teacher and member of Walden-CAN, NOAFEM & Beaver Lake Sports & Cultural Club, Leslee brings a wealth of experience & new ideas to the AFMHS."*
