

Public Service Announcement

The Anderson Farm Museum Heritage Society is excited to have a new page on Facebook thanks to Leslee Salo, one of our Directors, a member of our 'Rock The Farm' and Fall Fair Committees and part of our new Marketing/ Promotions Committee.

Thanks to Leslee, our AFMHS Facebook page is constantly growing & evolving with postings about our 'Rock The Farm' Concert/Farmers' Market summer series – plus photos taken at every Wednesday event [rain or shine] by Morgan Penney, our Volunteer Photographer and our upcoming 8th Annual Fall Fair Sat. Sept.13th 10am-4pm- which will be bigger & better than ever! It has posts by Stephen Smith, Director NOAFEM and links to Downtown Sudbury, GS Citizens on Patrol & Greater Sudbury Dog Park.

Find out about our new FREE Fall Fair Shuttle Bus in Lively- thanks to Leuschen Transportation. Discover how Steve Smith's Giant Pumpkins are growing – which will be entered in NOAFEM's Giant Pumpkin Contest at our Fall Fair. Watch for details about our 1st Pumpkin Pie-Eating Contest-sponsored by Helvi's Catering- featuring local celebrities & volunteers plus a Pumpkin Cannon & wandering Zombies- thanks to Dynamic Earth/Science North!

Check us out at the Anderson Farm Museum Heritage Society page on Facebook. We look forward to seeing your comments & hope to see you at the Fall Fair!
