Love the Co-op | Save the Co-op

With our \$40,000 June 1st fundraising "deadline" looming, we have had many concerned members and customers ask about Eat Local's position and what will happen...we are happy to announce that the store WILL NOT CLOSE! We currently sit at \$16,500 raised (hooray!), and your support combined with careful management of current funds, additional fundraising, as well as pursuing loan extensions and grant applications, means that we can keep the store open while we continue to fundraise.

Please continue to support your local grocer by shopping with us, and making a [one-time](#) or [monthly](#) donation.

THANK YOU!!!
