Cycling, clean-ups, Good Green Town Hall revisited - make a difference!

1. Be part of making cycling better in Greater Sudbury

You are invited to the Sudbury Cyclists Union AGM, Wednesday, April 27, 7 p.m., at St. Andrews Place (111 Larch). Come share in the joy of all things cycling with special guest speaker Ursula Sauvé who will present “50 years of Cycling Fun.” Hear how your bike can be a friend for life.

Join in the discussion of moving cycling forward in Greater Sudbury. Hear about what the Sudbury Cyclists Union has accomplished this past year, and talk about next steps. Share why cycling is important to you, and what you'd like to see when it comes to cycling in our City. Enjoy some refreshments and connect with other cyclists of all ages and abilities.

Pick up your Sudbury Cyclists Union membership, and elect the new executive. All welcome.

2. Spring clean up's this Saturday, April 30

- Junction Creek Stewardship Committee – clean up along Junction Creek. 10am-noon with pizza and refreshments afterwards. It will take place at the Great Canadian Superstore on Lasalle Blvd at the back parking lot closest to tracks and creek. Dress for the weather. Junction Creek Stewardship Committee will supply gloves and garbage bags.

3. Save the date – Good Green Town Hall Revisited – May 12, 7pm, Tandoori Tastes

Midway through this term of Council, where is Greater Sudbury at when it comes to green issues? Enjoy refreshments, hear from local panelists, share your questions and your vision.

Safe cycling and walking. Better transit. Local food. A healthy environment. Clean water. Climate change. Access to information. Having a say in your community. Equity. Get informed. Add your voice.

4. Guiding member potluck and visioning May 16

Our guiding members will be getting together for a potluck, some conversation, some looking back over the past year, and some looking forward to what's to come.

If you have considered being a guiding member, or are a long term member who would like to take part, get in touch.

What is a guiding member? Think of it as the grassroots equivalent to a board member. It is a commitment to come out to our general meeting every 1-2 months, and guide the work of Coalition for a Liveable Sudbury for the year, in accordance to our Mission Statement and practice of working. Guiding members for 2016-2017 will be affirmed at our AGM, June 2. Meetings resume in September.
